<b>Type of Organization</b>	Non-Governmental Organisation/Association (NGO)
<b>Main sector of activity</b>	Offering participation and youth-led events and youth participation activities

### Please briefly present your organisation/the group.

Zift Organization founded in 2009, under the leadership of two lawyers, by transforming the informal youth group into an association. In 2019, it got the name "Zift Lifelong Learning and Education Association". Therefore, our organization, which previously supported many training, seminars and awareness projects as Zift Organization, has become official as a branch of Zift Organization.

Before the establishment of the Zift Lifelong Learning and Education Association, Zift Organization had 95 informal youth groups and 4 university communities. The Zift Lifelong Learning and Education Association, which is among these joint groups, continues its activities under the group of Zift Organization. Zift Organization and Association has supported institutions, organizations and individuals interested in youth projects by providing training on project writing, project implementation process and reporting phases of youth projects. Zift Organization supported these communities interested in youth projects by providing training on project writing. Currently, we have 275 active and approximately 500 passive members in 7 different cities and universities.

Our organization that guides the communities studying with us, supported its communities regarding Erasmus Plus projects about education, health, human rights, women's and children's rights, refugee rights, culture and arts, environment, society and entrepreneurship, youth camps, personal development training and social awareness seminars.

Our association aims to create the formation of a society that adopts lifelong learning and self-renewal as a principle, sensitive to environmental issues, nature and climate change and to serve the information society equipped with these qualities.

Our association is loyal to Mustafa Kemal Atatürk's principles and reforms, and works according to the founding purposes of the Republic of Turkey, secular, democratic, and productive. However, our association continues its activities in order to contribute to the formation of a society that is sensitive to the global problems of and produces solutions for these problems.

Basic Values of Association;

- \*Continuous improvement,
- \*Reliance,
- \*Sustainability,
- \*Accountability,
- \*Political objectivity,
- \*Collaboration,
- \*Improvement of our nation,
- \*Improvement of the world's nations.

Our vision is to support the active participation of everyone in the lifelong learning process in order to impose the habit of protecting vulnerable ecosystems to the society and to become a leading international voluntary organization that has achieved perfection.

Our mission is to serve with honesty, equality and loyalty in a manner that respects both humanity, environment and nature, to comply with the laws, economic and moral principles and values in all our training and projects.

Our general goal is to work on determining the education and learning needs of the society within the perspective of lifelong learning, to ensure all individuals, especially young people, are aware of the current climate change conditions, environmental pollution, ecosystems at risk benefits of recycling, and responsibilities of humans in this respect.

Apart from our foundation objectives, another goals that will support our development are as follows;

1. Conducting scientific research within the scope of Lifelong Learning and encouraging young people in this direction,
2. Conducting professional needs determination studies for the education and also learning needs in terms of global and environmental issues,
3. To develop training programs suitable for education and projects to raise awareness about oceans, atmosphere, glaciers and extinction of habitats,
4. To carry out activities that protect the rights and freedoms of refugees, disadvantaged groups, women, unemployed individuals, disabled people and children,
5. Preparing, managing and being a partner of projects based on education, environmentally-friendly production and consumption, recycling methods, environmental awareness and social awareness published on international and national platforms.
6. To support the development of youth work and non-formal education opportunities with sustainable studies,
7. To direct young people to "green behavior", to ensure people to be included in environmental-themed projects,
8. To support cooperation and communication between youth groups living in different countries and cultures,
9. Act with the principle of social inclusion in combating prejudiced attitudes while raising environmental awareness.

To sum up; the basic principle of Zift Lifelong Learning and Education Association is to prepare projects that will benefit the national and international society, to implement these projects, to provide trainings on this subject, to work on youth and to cooperate with people and organizations that create social awareness and to do these activities with volunteer individuals who work entirely on a voluntary basis.

## What are the activities and experience of the organisation in youth work? Please provide information on your organisation's / group's regular youth work activities.

Our association has provided training and voluntary service understanding and has taken part as a supportive umbrella organization in many projects within the scope of Erasmus Plus. In addition to training young people in project writing and project management, our association also carries out many projects to raise awareness of young people on issues such as women's and children's rights, gender equality and women's employment. Our organization guides many young people and plays the role of a guide.

Zift;

\*Our key staff, Barış BAYTOK, provided training to a student community on "Erasmus, Sustainable Activities and Volunteering Studies" at Osmangazi University.

\*A training on "Youthpass Competencies and Erasmus Plus Gains" was given by our key personnel at Istanbul Aydın University.

\*A training on "EU Grant Supports and Erasmus Plus Projects" was given by our key staff at Istanbul Medipol University.

**Please give information on the key staff/persons involved in this application and on the competences and previous experience that they will bring to the project.**

**1. Our first key staff, Barış BAYTOK;** graduated from Çanakkale 18 Mart University, Faculty of Education, Department of English Language Teaching. After working as an English teacher under the Ministry of National Education for a certain period of time, he graduated from the Faculty of Law and resigned from his teaching position. He is still working as a lawyer in Ankara.

Our key staff has been the founding member and leader of the Barış Scout Community at Çanakkale 18 Mart University for 5 years. Developing himself in the field of scouting puts his leadership in the foreground. And during his scouting period, he was against environmental pollution and acted within the framework of the mottos of "environmentally friendly resources" and "zero waste" in the camps he organized. Moreover, throughout his teaching life, he developed his skills such as classroom control, computer-aided teaching techniques, and the ability to persuade.

Additionally;

Every year, he directed and encouraged all members of the community to donate blood to the Red Crescent. He participated in the 1st of July Maritime and Cabotage Day celebrations every year and helped organize the events. He helped organize and traditionalize the 57th Regiment march, which is held every year in Çanakkale and is very important for Turkish history.

Moreover, our key staff has managed 144 projects in Turkey since 2009 and has participated in more than 50 projects abroad. Some of the projects he participated in abroad can be listed as follows; 2018 NATURE ON, 2018 THE MAZE, 2018 GENDER IN FAIRY TALE, 2019 ANTI OBESITY MOVEMENT, 2019 RECYCLING ART IN CONSUMING WORLD, 2019 ANTI-DEATHRESSANT, 2019 REDUCE FOOD WASTE, 2019 HORMONE WORLD, 2019 CHILDREN OF HEAVEN

**2. Our second key staff, Ertan DERİN,** graduated from Çanakkale 18 Mart University like Barış BAYTOK, who we mentioned above, worked as a teacher and resigned from his profession and started his lawyer career. However, Ertan Derin's field is not English Teaching, his profession is Computer Teaching. Ertan Derin also participated in all the activities we mentioned for Barış Baytok, as our two key personnel studied the university together and became very close friends. He also worked as a weightlifting referee during his teaching years and attained the status of National Referee. He will play an important role in the management of our projects with the training he received in his teaching career.

Throughout his scouting life, he tried to increase the environmental awareness of the community members by organizing many tree planting and environmental cleaning activities. He aimed to instill environmental awareness, "healthy world" awareness to the participants by making use of these experiences in the projects he carried out.
